

## Nite Of Hope 2010

The LaLiberte Investment Team is proud to have sponsored the 2010 Nite of Hope's 5th Annual Gala at the Centennial Arena in White Rock/South Surrey on April 8, 2010.

Nite of Hope enables support and encouragement to survivors of cancer as well as raising much needed funds for continued research. To date, over \$400,000 has been raised, with all proceeds going to the Canadian Breast Cancer Foundation (CBCF). The HOPE for 2010 is to exceed the initial goal of raising \$500,000 in five years.

Nite of Hope is now held in three communities, Richmond, White Rock/South Surrey and the North Shore. Collectively, since inception over 12 years ago, they have raised over \$1.5 million. Nite of Hope is now a key event on the CBCF calendar and has been given the honour of sponsoring a Fellowship for a local researcher in Vancouver, where ground breaking work is being done every year.

We welcome you to join us in the quest for a future without breast cancer by 2020.
