

## WORRY-FREE RETIREMENT INCOME GUARANTEED FOR LIFE

Enjoy guaranteed income (typically 23% to 80% more income than GICs can provide) and reduce your taxable income.

You receive income for life and all of your capital moves safely to your estate / beneficiaries.

For example, if you are a 75 year old couple with half a million in investible assets, you could be enjoying a guaranteed monthly **tax-free** income of \$1,968. If something happens to you, your beneficiaries receive \$500,000 tax-free.

No matter what challenges come your way, your family will be able to sleep easier and have peace of mind. Call or come in and see us.
